To whom it may concern,

My name is Patti Powers. I have owned a Trauma and Crime Scene Clean up business for the past 20 years.

I was fortunate to find Mr. Joe De Martini with the Environmental Yellow Pages to manage my website.

Mr. De Martini has gone above and beyond to be there for me over the years.

Mr. De Martini always manages to keep my website on the google first page. I have had wonderful results because of this man.

His customers can phone this gentleman day or night if They should have any concerns. He always returns calls and takes care of your concern.

I highly recommend Mr. Joe De Martini to handle your google website. He is FANTASTIC at what he does.
